Bachelor of Computer Science, IES IPS Academy Indore

Expected 2027

Relevant Coursework: Artificial Intelligence, Machine Learning.

SKILLS

Technical Skills	UI/UX, Next.js, MERN-Stack, React.js, JavaScript, Tailwind CSS
Soft Skills	Teamwork, Problem Solving

PROJECTS

Buy Me a Soda A Next.js crowdfunding platform where users log in via GitHub, create personalized pages to showcase business ideas, and raise funds. It features a customizable dashboard, secure authentication with NextAuth, and integrates MongoDB and Cloudinary for data and media management. ([Try it here](#))

Zylonet A social media platform built with the MERN stack, allowing users to register, create profiles, post content, and engage in real-time chat. It features user authentication, post exploration, follow/unfollow functionality, and a real-time messaging system using Socket.IO. ([Try it here](#))

NimbusBook A web app built with the MERN stack that enables users to book appointments with doctors, view live waiting times, and manage their healthcare schedules. It features real-time updates, user-friendly interfaces, and appointment tracking, streamlining the healthcare booking process. ([Try it here](#))

EXTRA-CURRICULAR ACTIVITIES

- Enjoy playing guitar as a creative outlet and relaxation.
- Owner of an Instagram meme page, creating funny memes and updates that engage followers. ([Instagram](#))
